

Silviculture
Dr Remke

Michael Remke Photography

Michael Remke

PhD in Forest Science ~ Northern Arizona University

BS in Environmental Biology ~ Fort Lewis College

Research Focus

~ Mycorrhizal Ecology and Ecological Stoichiometry

Additional research

~ Forest and snow interactions

~ Collaborative Forest Management

~ Social-ecological fire planning and fire ecology

Why am I teaching Silviculture?

~Experience in collaborative forestry in SW Colorado and northern NM

~Focus on multi-stakeholder processes

~Private land forest management plan development and implementation experience

Adaptive Silviculture For Climate Change, Jackson Mountain

Silviculture = cultivation of
wood

Silvi = wood

culture = cultivation
